

Dakota Community Bank & Trust

ACH Services

Are you still mailing checks? Go paperless!

ELECTRONIC DEPOSIT & PAYMENT SOLUTIONS

Dakota Community Bank & Trust secure electronic solutions used for:

- **Payroll**
- **Vendor Payments**
- **Customer Billing**
- **Owner Distributions**
- **Bank to Bank Transfers**

1 **Transfer funds using your software or with ours:** ACH Manager can upload files that are NACHA formatted or from spreadsheet compatible sources directly into our Online Banking solution.

2 **Secure solutions:** ACH Manager is used in conjunction with security tokens to ensure secure navigating to protect your financial information.

3 **See results:** Create reports of transactions – any file or file group can become a report directly online.

4 **Increase Efficiency:** Store routing numbers and account numbers securely and only add amounts to transfer each time – transfer funds quickly and with fewer errors.

5 **Save Time:** Create recurring transactions - create transactions that pay themselves by setting up weekly or monthly transactions and never have to wonder if you remembered.

6 **Faster Payments:** No time? – Same day ACH is HERE! Files can be posted same day for a small fee.

For more information on our ACH Services, please contact your local branch.
